

A magnifying glass is positioned over a green surface, focusing on several pieces of currency. In the upper right, a gold and silver coin is visible. To its left is a silver coin. Below these, a 100 Euro banknote is partially visible, showing the profile of Queen Isabella I of Castile. To the left of the Euro note is a 100 US Dollar banknote, showing the portrait of Benjamin Franklin. Below the Euro note is another 100 US Dollar banknote. A black vertical bar with white text is overlaid on the bottom center of the magnifying glass's view.
