

General Information

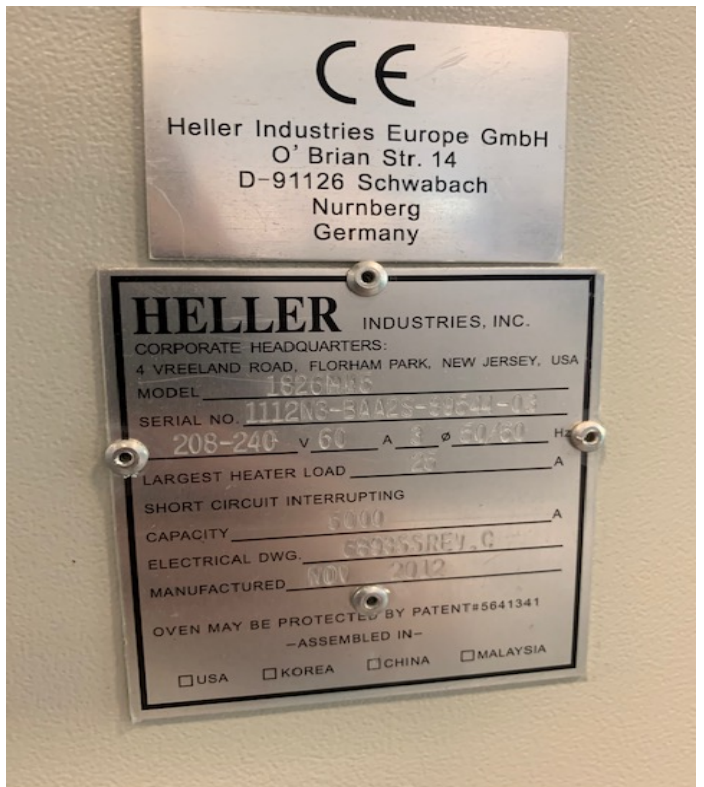

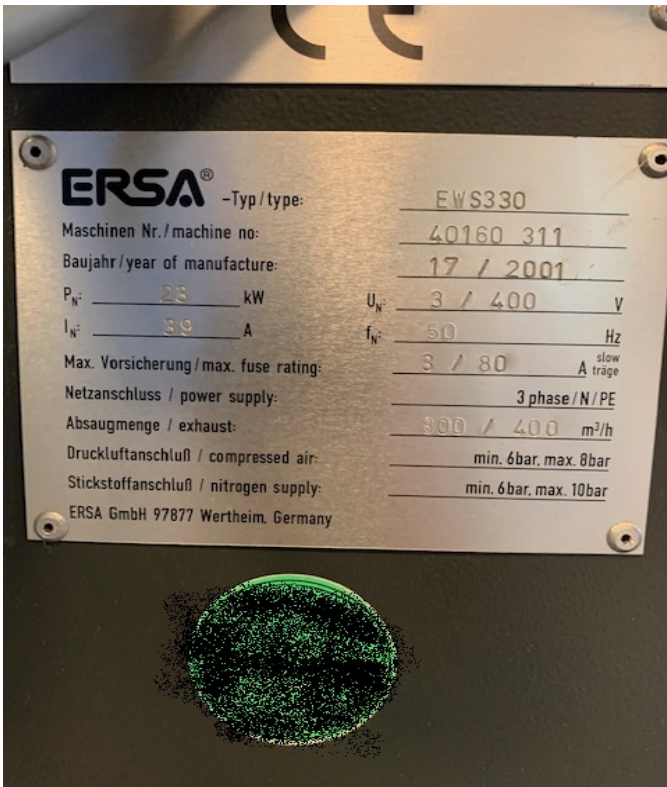

Our Partner is putting these machines and corresponding components up for resale due to an introduction of new material. The machines are in perfect working order and are currently still being used for production.

The machines are currently at location Europe, and will remain there until pick up is arranged. They are available for purchase and pick up in mid April 2021.

Contents

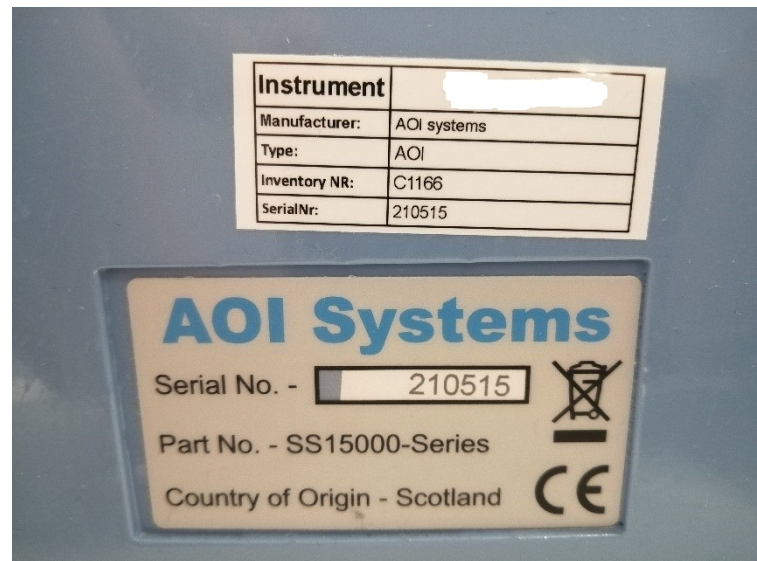

1. AOI.....	1
2. Pick and Placer.....	2
3. Feeders.....	3
4. Conveyors.....	4
5. Screenprinter.....	5

- ESSEMTEC COBRA-8C (2013)
- ERSA EWS330 (2001)
- Conveyor system
- HELLER 1826 MK5 (2012)
- Software
- Calibration & Maintenance options
- Feeders
- ESSEMTEC TUCANO In-line screen printer
- ZONDA Reflow oven (8TOP-8Bottom zones)

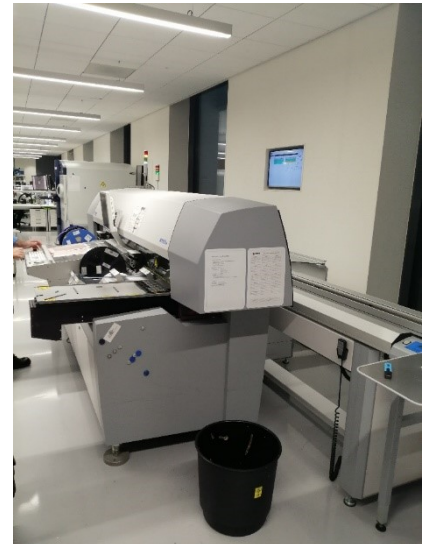

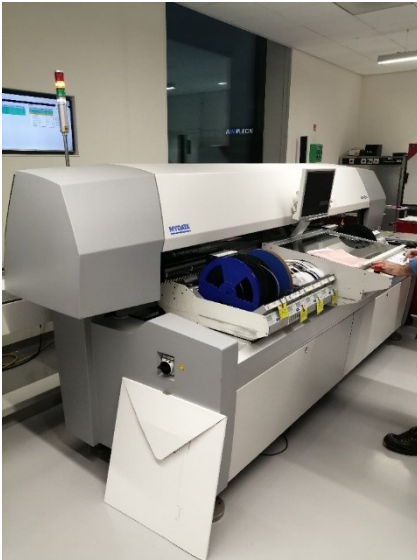

1. AOI
